

Make You Mine

Mando Diao

Did you stand in front of me with another guy?
Did you know you just awoke the lion?
So I tried to scream your name
You don't know who I am
I'm just gon' take you away

Wind is turnin', love is burnin'
I'm gonna make you mine
I'm gonna make you mine
Wind is turnin' mad like you like it too
I'm gonna make you mine

Winter slowly round my mind
I heard you're doin' fine, I heard you got a son
And haven't named him. Do you wanna know my name?
I've told you many times before. Did I scream enough?
Did you hear me?

Wind is turnin', love is burnin'
I'm gonna make you mine
I'm gonna make you mine
Wind is turnin' mad like you like it too
I'm gonna make you mine

Wind is turnin', love is burnin'
I'm gonna make you mine
I'm gonna make you mine
Wind is turnin' mad like you like it too
I'm gonna make you mine

Wind is turnin', love is burnin'
I'm gonna make you mine
I'm gonna make you mine
Wind is turnin' mad like you like it too
I'm gonna make you mine

Wind is turnin', love is burnin'
I'm gonna make you mine
I'm gonna make you mine
Wind is turnin' mad like you like it too
I'm gonna make you mine
