

Money Doesn't Make You A Man

Mando Diao

Saw you dancing with another man
Do you know how I feel?
My world is trembling underneath
Now you know how I feel

Dandy Juliet
Money doesn't make you a man
Money doesn't make you a man
Dandy Juliet
Money doesn't make you a man
Money doesn't make you a man

Sweet poison is burning in my head
Fire, walk with me
Dissolution lays a promised land
Fire, walk with me

Dandy Juliet
Money doesn't make you a man
Money doesn't make you a man
Dandy Juliet
Money doesn't make you a man
Money doesn't make you a man

Fire, walk with me!
Fire, walk with me!
Fire, walk with me!
Fire, walk with me!
Fire, walk with me!
Fire, walk with me!
