Ringing Bells

Stick around your neck and see what it can bring Lonely stands the butcher on the ground Little angel fly, fly among the stars Jupiter will comfort you with love

So who are you gonna follow Are you going out somewhere Can it be the new thing money enough Where's that hat you loved once Let us spoil it for a day Bring 'em in she said just for a day Just for a day

On the way to you between busy moon Crash beneath a window left in bloom The days are few my friend and winter comes again Clap, clap and the boy is to lose

So who are you gonna follow Are you going out somewhere Can it be the new thing money enough Where's that hat you loved once Let us spoil it for a day Bring 'em in she said just for a day Just for a day

Bring 'em in she said I said just bring 'em in she said Ringing bells in Saxton and Oakland bringing you home Ringing bells in Saxton and Oakland bringing you home Ringing bells in Saxton and Oakland bringing bells in Saxton and Oakland bringing you home Mando Diao
