

Sweet Sweet Love

Mando Diao

Saw you(r) laughing from a window
You were covering my view
I belong to lovely music
You have been gone for much too long
Ohohoh
So I caught/called you
at ...
...Dance/ 90 days ... and all before
Well, I didn't know your lovely music
I've been gone for much too long
Oh oh oh

Didn't know you when I saw you
Walking with a another man
How can I be so afraid of
All the Life that I was feared of/for you
Sweet sweet Love
Sweeter than all the love
What can I do for you
Well, I will always be your

Older than all the love
Singing your daddy's song
Like this/it's a song from years ago

So I call/caught you
Down by the .. line

I was ...
Lovely music child
I was ... for much to see
So sweet sweet love
Sweeter than all the love
What can I do for you
Well, I will be always your
Older Love
Older than all the love
Singing your daddy's song
Like this song from years ago

What I got to do/ Well I got a tune (?)
