

## The New Boy

Mando Diao

She was only 21  
But so much older than she's now  
Now she passed the 24  
I guess it's time to say goodbye

Here's the new  
Here's the real  
Here's the life you like to live  
Now here's the new boy taking on the world tonight

When we met  
She smelled like honey  
When we kissed she tasted tears  
Then for 14000 seconds  
We made love behind old fears

Here's the new  
Here's the real  
Here's the life you wished you live  
Now here's the new boy taking on the world tonight  
Take the words on your way I don't waste the things I say  
When in doubt fuck the world  
Forget all the things you've heard  
Now here's the new boy taking on the world tonight

Why so sad? Don't you like my way of life?  
I don't last forever neither do the things we love  
You are wise this is now  
This is all the things I want  
Everything around us  
Is moving except time  
She was only 24  
But so much younger than the past  
We've laid all our troubles down

And now it's us against the rest  
Here's the new here's the real  
Here's the life you like to live  
Now here's the new boy  
Taking on the world tonight
