## **Angel Dust**

## Mandragora Scream

Livin' your life I was callin' you bein' arisen you are lost in the dark... you7 have a sin down and deep inside you could have learnt without choosin' to die... only this time can change your mind, only your faith can make you fly, only this time can take you higher, you a Only this time can change your mind you can't live without your sighs I lost my life to save my pride I believe in all my cryin' Live in all my cryin'... live without your sighs only your faith can make you fly you have feigned to say your lies I can live wihout your eyes I see the twilight in your sigh....
