

## Blindness

### Mandragora Scream

I'm bleedin' so hard,  
callin' you now  
what can I do to get over you...  
and Nightmares of life...  
why should I fly...  
I'm feelin' so alone...

Haunted nails scratch my brain  
while you're far away  
where's my darkness?

Scream aloud my name  
In this winter rain  
Why'd you live me alone.....  
Snowin' in my heart life..... like

Night lies in your eyes  
Like the Autumn pages  
try this love again  
creepin' in dark rave rays

Now I'm ravin' in your arms  
without your cries.....  
I'm feeling so blind and I'm loosin' you.....  
Again I agonize,  
why should I fly.....?  
you're killin' me softly..... I'm alone.....

I'm bleedin' so hard  
callin' you now  
I'm feelin' so alone.....
