

Love for Endymion

Mandragora Scream

You wanna be my life
You wanna become my dreamfire
You wanna be my slave
You wanna be now crucified
This time
Tonight
An ephemeral embrace

Cry!
Here in my arms tonight
You're gonna lie
Here in my arms tonight
Do you wanna lay or do you wanna fight?
Do you wanna love or do you wanna die?

You are slave of love
Infernal wishes of dawn
Are shiverin' in agony
And your desire's becomin' flame
In your veins
Burnin' in eternity

You've gotta be all mine
Sufferin' this torment of
Hell, love me forever in the dark
Oh... My "embrace"
Becomin' flame in your veins
Nurnin' in eternity
