

Hurricane

Mandy Capristo

They say that time will here everything
They say that I will feel better in time and I keep hopin there
bright
cause I can't even see the light so I'm a gradin now I pretend
that I am almost my self again now..and everybody says I'm stro
ng
but I know they are wrong.. because they know holdsten couldn't
take me away ohoh
ten thousand horses couldn't stop me from prayin for my baby..h
e left me in and walked away.. this love..this love is like a h
urricane
ten thousand horses couldn't take me the part cause it's cold h
eart love is like in my heart and my baby he left me and he wal
ked away.. this love..this love is like a hurricane
I lie you drink and out think about..what it be like a fault sh
ould have held on
cause he is gone a part of me..ouhh I'm missing I'm missing him
here
He is got a little scarve above his left arm when he looks at m
e he's like a blue sky
keep a leave of let him go so would you see him so would let hi
m know
ten thousand horses couldn't take me away ohoh
ten thousand horses couldn't stop me from prayin for my baby..h
e left me and he walked away.. this love..this love is like a h
urricane
ten thousand horses couldn't take me the part cause it's cold h
eart love is like a man my heart and my baby he left me and he
walked away.. this love..this love is like a hurricane
ohoho ohoh hurri-hurri-hurricane
ohoho ohoh hurri-hurri-hurricane
ohoho ohoh he left me he left me like a hurricane
ten thousand horses couldn't take me away ohoh
ten thousand horses couldn't stop me from pray and from my baby
..he left me in and walked away.. this love..this love is like
a hurricane
ten thousand horses couldn't take me the part cause it's cold h
eart love is like in my heart and my baby he left me in and wal
ked away.. this love..this love is like a hurricane
is like a hurricane..
is like a hurricane..
is like a hurricane..
