

# Let Me Be the One

Mandy Moore

Let me be  
Let me be  
Baby let me be the only one (2x)  
Let me be the one  
You give your love to (the only one) (2x)

I hear your records on the radio  
I see you talking on the late, late show  
Every girl wants to be your friend  
Don't you know you're always on my mind?  
How I missed you since you hit the big time...  
You hurt me  
I just can't pretend

We used to be together  
Making dreams  
Making plans (ahh)  
You left that world behind  
Now I'm asking you....wont you?

Let me be the one (let me be)  
You give your love to (the one you need, baby baby)  
Let me be the one (let me be)  
You give your love to (the one that gives you lovin, oh oh)

Let me be, Let me be  
Baby, Let me be the only one

I see the sadness in your eyes  
Don't you get lonely for me, sometimes?  
Lonely for...the love that we had  
I'll be waiting when that day comes  
You need somebody  
Won't you let me be the one?  
Come to me  
Put yourself in my hands  
Ohhh

We use to be together  
Making dreams  
Making plans  
You left that world behind  
Now I'm asking you....wont you?

Let me be the one (let me be)  
You give your love to (the one you need, baby baby)  
Let me be the one (let me be)  
You give your love to (the one that gives you lovin, oh oh)

We use to be together  
Making dreams  
Making plans  
You left that world behind  
Now I'm asking you....wont you?

Let me be the one (let me be)  
You give your love to (the one you need, baby baby)

Let me be the one (let me be)  
You give your love to (the one that gives you lovin, oh oh)  
Let me be  
Let me be  
Baby let me be the only one  
Let me be the one (2x)
