

# Lock Me in Your Heart

Mandy Moore

(boy)  
Mandy Mandy  
the sound of your voice  
is sweet like candy

There was a time when I was  
All alone  
Waiting for someone  
I could call my own  
I closed my eyes  
and dreamt you up one day  
My prince of charms would ride up and we'd fly away

Take me to a place  
Where the magic between us becomes real  
Take me all the way

Boy I want you to  
Lock me in your heart  
and throw away the key, Show me love  
The way it's supposed to be  
Lock me in your heart  
and never let me go

I must confess  
you are the best  
so baby come take me  
(take me baby take me away)  
(take me baby take me away)

we'll dance together  
where no one can see  
with you alone  
is where I want to be  
uncharted territory we'll discover?  
you'll always be my dream lover, ooooooh

take me to a place  
where the magic between us becomes real  
take me all the way

Boy I want you to  
Lock me in your heart  
and throw away the key, Show me love  
The way it's supposed to be  
Lock me in your heart  
and never let me go

yes you are the best  
so baby come take me

lock me in your heart

oh baby oh baby  
lock me in your heart  
so baby come take me

take me to a place  
where the magic between us  
so real  
take me all the way

Boy I want you to  
Lock me in your heart  
and throw away the key, Show me love  
The way it's supposed to be  
Lock me in your heart  
and never let me go

yes you are the best  
so baby come take me

Boy I want you to  
Lock me in your heart  
and throw away the key, Show me love  
The way it's supposed to be  
Lock me in your heart  
and never let me go

yes you are the best  
so baby come take me

take me baby take me away x6
