

# Love You for Always

Mandy Moore

One, two, three, four  
One, two, three, four

Boy I wanna be where you are  
Don't matter if you're near or you're far  
You fill up my heart  
All the way to the top,  
And it's you  
I'm loving for always

Catch me  
I'm a shooting star  
Make a wish  
Close your eyes  
Cross your heart  
Your love is so rare  
And I'm glad  
That you're here in my arms  
I'll love you for always

Dreaming  
Of you tonight  
Praying that you will be mine  
Hoping  
You'll be holding me tight  
Never ever letting me go  
I need you to know (know)

One, two, three, four  
You came into my life  
Made everything go right  
So sweet and tenderly  
Unlock my love  
You've got the key  
Ooh, I'm so satisfied  
This kind of love I just can't hide  
I'm gonna love you for always

I'm gonna love you  
Love you, love you, love you, love you, love you  
Yeah

Took my heart for a carousel ride  
Made me feel  
Brand new inside  
When I'm with you  
All that I seem to do is smile  
I'll love you for always

Boy I'm floating on a cloud  
Wanna scream and shout it loud  
I found amazing grace  
In your eyes  
And your face  
I'm in love  
With you for always

Dreaming  
Of you tonight  
Praying that you will be mine  
Hoping  
You'll be holding me tight  
Never ever letting me go  
I need you to know (know)

One, two, three, four  
You came into my life  
Made everything go right  
So sweet and tenderly  
Unlock my love  
You've got the key  
Ooh, I'm so satisfied  
This kind of love I just can't hide  
I'm gonna love you for always

I'm gonna love you for always  
I'm gonna love you for always,  
It's true  
I'm gonna love you for always  
I'm gonna love you for always  
...For always
