Secret Love

Mandy Moore

Once I had a secret love
That lived within the heart of me
All too soon my secret love
Became impatient to be free

So I told a friendly star
The way that dreamers often do
Just how wonderful you are
And why I'm so in love with you

Now I shout it from the highest hill Even told the golden daffodils At last my heart's an open door And my secret love's no secret anymore

Now I shout it from the highest hill Even told the golden daffodils At last my heart's an open door And my secret love's no secret anymore
