The Way to My Heart

Mandy Moore

You're the one
You set my free
When you're close to me
All that I do
Is think about a way
To make you stay
With me
Baby I'm falling apart
'Cause you know the way to my heart

Oh baby
I knew it
The moment you looked in my eyes
My life was in your hands
You changed me
Complete
Now you say you want to let go
Of the love we had
I just don't want to loose you again
Baby I want you to know (know that)

You're the one
You set my free
When you're close to me
All that I do
Is think about a way
To make you stay
With me
Baby I'm falling apart
'Cause you know the way to my heart

Oh baby
If only
You could see the way that I feel
About you
'Cause I need you
Beside me
Is there anything I can say
Before you walk away?
I just don't want to loose you again
Baby I want you to know (know that)

You're the one
You set my free
When you're close to me
All that I do
Is think about a way
To make you stay
With me
Baby I'm falling apart
'Cause you know the way to my heart

What am I gonna do
No I just cannot live
I can't breathe without (without you)
I want you back in my life
And I wanna set things right

You know the way to my heart
Baby

You're the one
You set my free
When you're close to me
All that I do
Is think about a way
To make you stay
With me
You know the way to my heart

You're the one
You set my free
When you're close to me
All that I do
Is think about a way
To make you stay
With me
Baby I'm falling apart
You know the way to my heart
