

## Adolescent Dream

Manfred Mann's Earth Band

You're not the great romantic  
Crystal juke-box queen  
You're not my old adolescent dream  
You're not my spiritual gypsy  
My fifty Chevy Machine  
You're not my old adolescent dream

Oh no my friend  
You stand above all that  
You're my life  
My love  
My blood  
My soul

You're not the way I planned it  
The way it's meant to be  
You're not my old adolescent dream

Oh no my friend  
You stand above all that  
You're my life  
My love  
My blood  
My soul

Oh no, you're not my old adolescent dream
