

# California

Manfred Mann's Earth Band

How you doin' out in California  
Now that you've made the grade  
Is there a chance you'd think of me  
And all the things we made together

How you doin' out in California  
Now that you've got it made  
You must be glad you made the break  
But how I wish you'd stayed

Livin' out in California  
Seems to suit you well  
But my news is all second hand  
So it's hard for me to tell

One day I'll make it out to California  
See if it's what it seems  
I've been there many times before  
But only in my dreams

One day I'll make it out to California  
See if it's what it seems  
I've been there many times before  
But only in my dreams

Oh it could be the money  
It could be the sun  
Something's keeping you away from me  
California know what you've done
