

Fat Nelly

Manfred Mann's Earth Band

Fat Nelly was killed with a butcher's knife.
Nobody laughed, nobody cried.
And her blood ran red all over my life.
Nobody laughed, nobody cried.

A street screamed rape by a garden gate.
Nobody laughed, nobody cried.
But the hinges were oiled, the police came late.
Nobody laughed, nobody cried.

Fat Nelly was killed with a butcher's knife.
Nobody laughed, nobody cried.
And her blood ran red all over my life.
Nobody laughed, nobody cried.

A street screamed rape by a garden gate.
Nobody laughed, nobody cried.
But the hinges were oiled, the police came late.
Nobody laughed, nobody cried.
Nobody laughed, nobody cried.
Nobody laughed, nobody cried.
