

## Semi Detached Suburban Mr. James

Manfred Mann's Earth Band

So you finally named the day when wedding bells will chime  
I was sorry to hear you say, you're gonna be his not mine  
Do you think you will be happy, giving up your friends  
For your semi-detached suburban Mr. James

So you finally got your man, I hope you won't regret it  
He can't love you the way I can, so please don't you forget it  
Do you think you will be happy, buttering the toast  
Of your semi-detached suburban Mr. Most

I can see you in the morning time  
Washing day, the weather's fine  
Hanging things upon the line  
And as your life slips away, ay, ay - yeah

So you finally named the day when wedding bells will chime  
I was sorry to hear you say, you're gonna be his not mine  
So you think you will be happy, taking doggie for a walk  
With your semi-detached suburban Mr.  
James (semi-detached suburban Mr. James)
