

Solar Fire

Manfred Mann's Earth Band

See the morning dancer crossing the sky,
Turning gold to amber traveling by.
He must know the answer, he must know why,
Looking for an answer, look to the sky.

Shadows getting shorter filling your sight,
Brightly burning starfire life giving light.
Dawning into morning, day into night,
Looking for an answer, look to the night.

Sunlight streaming burn through the night.
First light stealing shine solar fire.

Starting from tomorrow look to the sky,
There's a new day dawning passing you by.
Follow on life's dance and then you'll know why,
Looking for an answer, look to the sky.

Sunlight streaming burn through the night.
First light stealing shine solar fire.

See the morning dancer crossing the sky,
Turning gold to amber traveling by.
He must know the answer, he must know why,
Looking for an answer, look to the sky.

Starting from tomorrow look to the sky,
There's a new day dawning passing you by.
Follow on life's dance and then you'll know why,
Looking for an answer, look to the sky.
