

Victim

Manhole

1 out of every 3 women will be a victim of se**** assault during her lifetime

in the united states it is estimated that a rape occurs every 1.3 seconds

75% of rape victims know thier attacker and 71% of rapes are planned beforehand

so with a 187 and it's on... cuz i ain't your fuckin victim the fear of rape is the fear of an empty space a gun a can of mace can't replace being scared in a city of

violence season of silence you can't deny this felony, punishable by prison but that's a joke cuz most

offenders get off so yo; you better know this ain't a love song, ain't a love song no means no, another murder

it's on

but i'm no victim fuck what you heard i ain't your victim yo-kick the word

its rape 101 class in session time for a lesson, fool stop guessin stressin the tension that's felt by women

and did i mention i'm a mad bitch and my mama raised a bad-bitch doing nothin but dirt while other girls wear

skirts yo- i'll be hittin punks wear it hurts in the back of their necks i got a nickle plated flex-g and a

right to dress sexy when and where i want without being harrassed for it or being told that i asked for it this

ain't a love song, ain't a love song no means no, another murder its on...

but i'm no victim i'm talkin to you clown i ain't your victim heck the breakdown

maybe it's because most rapes are committed by someone the victim knows so she may think it doesn't count- only

no one has the right to force you into sex against your will so if this has happened to you you'd better report

it because after all the strides that woman have made we can't afford to lose our voice

can't afford to be a victim

i ain't your victim

choose to refuse to be a victim

this ain't no invitation

what part of no don't you fuckin understand? asshole.
