

Hands Up Forever

Manian

Put your hands up forever,
Everybody now and never,
Were raving together,
Feel like birds will fly away,

Hands Up Forever

Schizophrenic manian your ravers fantasy,
Welcome to my generation, grab yourself a hoe,
Party slam my hand my arm, are you ready set go,

Now put your hands up hands up,
What you gonna say,
Let the freaks out, freaks out,
Get outta my way,
Were gonna heat it up, heat it up,
Bring out the floor,
And blow the club away,

Put your hands up forever,
