

## Hold Me Tonight

Manian

Hold me tonight  
I feel like an angel  
Hold me so tight  
Cause you make me feel so high

Hold me tonight  
Like an angel in the sky  
Hold me so tight  
Cause in your arms I feel so high

You broke my heart right from the start  
I never let you go  
Hold me tonight  
Cause I need you

Hold me tonight

Hold me tonight
