

Ravers Fantasy

Manian

This is my melody
And it's just a ravers fantasy
'Cause I know
If you're in love with me tonight
We'll rave right through the night

This is my melody
And it's just a ravers fantasy
'Cause I know
If you're in love with me tonight
We'll rave right through the night

This is my melody
And it's just a ravers fantasy
'Cause I know
If you're in love with me tonight
We'll rave right through the night

This is my melody
And it's just a ravers fantasy
'Cause I know
If you're in love with me tonight
We'll rave right through the night
