

Good News

Manic Drive

I just got news, news
Call up the press, it's hitting the streets, with my delivery
Making your headlines, it makes a secret, on the daily

And all of the people gather around,
They stare like I'm a street preacher
Out of my mind,
And I'm going all out, I tend to overcommit
But with news this good
You'll wanna hear it

I just got news, news
From the paper boy (whoop, whoop)
And I got good news (news)
I just got news, news
From the paper boy (whoop, whoop)
And I got good news (news)

And I say it out loud
Nah nah nah nah nah
Nah nah nah nah nah

Extra extra read all about it
Nah nah nah nah nah
Nah nah nah nah nah
Extra extra read all about it

In black and white
It's printed in ink
Through out your magazines
This ain't no tabloid
But talk is cheap
In my philosophy

And all of the people gather around,
They stare like I'm a street preacher
Out of my mind,
And I'm going all out, I tend to overcommit
But with news this good
You'll wanna hear it

I just got news, news
From the paper boy (whoop, whoop)
And I got good news (news)
I just got news, news
From the paper boy (whoop, whoop)
And I got good news (news)

And I say it out loud
Nah nah nah nah nah
Nah nah nah nah nah

Extra extra read all about it
Nah nah nah nah nah
Nah nah nah nah nah

Extra extra read all about it

Everybody claps their hands
And they're making some noise
When they get good news from the paper boy
Everybody claps their hands
And they're making some noise
When they get good news from the paper boy

I just got news, news
From the paper boy (whoop, whoop)
And I got good news (news)

I just got news, news
From the paper boy (whoop, whoop)
And I got good news (news)
(and I got good, and I got good, and I got good)

I just got news, news
From the paper boy (whoop, whoop)
And I got good news (news)
(and I got good, and I got good)

I just got news, news
