

# Money

Manic Drive

As long as my heart's beating  
And my lungs are breathing  
Don't need no blank checks  
Don't need no black Rolex  
As long as my heart's beating

'Cause I got a heart of gold  
And my soul can never be sold  
I've been blessed a thousand times fold  
And you can never buy me out no

No you can never sell my soul  
For all the money, all the money in the world  
No you can never take control  
For all the money, all the money in the world

For all the money in the world  
All the money in the world  
All the money in the world  
All the money in the world

Don't need no vault of money  
Don't need my own treasury  
Oh 'cause life is saved  
I'm gonna keep the change  
Don't need no vault of money

'Cause I got a heart of  
And my soul can never be sold  
I've been blessed a thousand times fold  
And you can never buy me out no

No I will never sell my soul  
For all the money, all the money in the world  
No you can never take control  
For all the money, all the money in the world

For all the money in the world  
All the money in the world  
All the money in the world  
All the money in the world

Penny for my thoughts  
Oh better yet I'll give it free  
Oh yeah 'cause money don't mean anything  
If cash can't buy me love  
Then I don't need no currency  
And all them dollars ain't worth nothing

'Cause I got a heart of gold  
And my soul can never be sold  
I've been blessed a thousand times fold  
And you can never buy me out no

No I will never sell my soul  
For all the money, all the money in the world  
No you can never take control

For all the money, all the money in the world

For all the money in the world  
All the money in the world  
All the money in the world  
All the money in the world

For all the money in the world  
All the money in the world  
All the money in the world  
All the money in the world
