

Pretension/repulsion

Manic Street Preachers

Sickened and howled, streaked and spurned
Plucked, lived, compelled and called
Closed and swallowed, formed and regained
Locked, cursed, glowed and discerned.

Shards, shards, the androgyny fails
Odalisque by Ingres, extra bones for sale
BORN.A.GRAPHIC VERSUS PORN.A.GRAPHIC
BORN.A.GRAPHIC.

Explored, enclosed, amazed and perturbed
Assumed, annoyed and ceased
Burdened and gathered, agonised and locked
Mixed, seared and received.

Shards, shards, the androgyny fails
Odalisque by Ingres, extra bones for sale
BORN.A.GRAPHIC VERSUS PORN.A.GRAPHIC
BORN.A.GRAPHIC.
