## Stay with Me

## **Manic Street Preachers**

In the morning
Dont say you love me
Cause Ill only kick you out of the door

I know your name is rita
Cause your perfume smelling sweeter
Since when I saw you down on the floor
Guitar

Wont need to much persuading I dont mean to sound degrading But with a face like that You got nothing to laugh about

Red lips hair and fingernails

I hear youre a mean old jezebel

Lets go upstairs and read my tarot cards

Stay with me Stay with me For tonight you better stay with me

Stay with me Stay with me For tonight you better stay with me

So in the morning
Please dont say you love me
Cause you know Ill only kick you out the door

Yea Ill pay your cab fare home You can even use my best cologne Just dont be here in the morning when I wake up

Stay with me Stay with me Cause tonight you better stay with me Sit down, get up, get down

Stay with me
Stay with me
Cause tonight your going stay with me
Hey, whats your name again
Oh no, get down, wooo
