

# The Everlasting

Manic Street Preachers

1. The gap that grows between our lives  
The gap our parents never had  
Stop those thoughts control your mind  
Replace those things that you despise  
Oh you're old I hear you say  
It doesn't mean that I don't care  
I don't believe in it anymore  
Pathetic acts for a worthless cause

R: In the beginning when we were winning  
When our smiles were genuine  
In the beginning when we were winning  
When our smiles were genuine

But now unforgiven, the everlasting everlasting

2. The world is full of refugees,  
they're just like you and just like me  
But as people we have a choice  
to end the void with all it's force  
So don't forget or don't pretend  
it's all the same now in the end  
It was said in a different light  
destroys my days and haunts my nights

R: In the beginning...

But now unforgiven, the everlasting, everlasting

R: In the beginning...

But now unforgiven, the everlasting, everlasting  
But now unforgiven, the everlasting, everlasting...
