

UK Channel Boredom

Manic Street Preachers

primary prole MP judge general policeman
figureheads sucked in as just another token
to sell your culture and tolerate another
annihilation in the pursuit of self-love corruption

UK channel boredom - tune in reception control
UK channel boredom - underclass coma zone

don't pacify your life to suit dead law convention
white trash held up as just more gold chain icons
state fed lies charm empty eyes
happy thought a unity death smile of acceptance

UK channel boredom - mainline on a death fix
UK channel boredom - bleed the thought of throwing bricks

Europa kid, realise your thoughts
kill all ruling class laws
