

Unstoppable Salvation

Manic Street Preachers

There is unstoppable salvation in this sound
There is unstoppable salvation all around
It is unstoppable
It's making me feel found
There is unstoppable salvation in this sound

Carries us forever
Carries us together
Together
Together

There is unstoppable salvation in these words
There is unstoppable salvation to be heard
It is unstoppable
It echoes through the years
There is unstoppable salvation in these words

Carries us together
Carries us forever
Forever
Forever

Forever
Forever
