

## Winterlovers

Manic Street Preachers

Na na na na na na na na na

Winter lovers, Winter trees  
The beauty of, dead industry  
The stuff we have saved, so fataly  
Comes crashing down, around me

Winter lovers, Winter trees  
Winter longing, falling free  
Shielding what we need to see  
A deep true love of this country

Winter is as winter was  
I look this way just because  
Winter lovers, love like brothers  
Gives us hope for.....

Winter lovers, Winter trees  
Winter longing, falling free  
Shielding what we need to see  
A deep true love of this country

Winter lovers, Winter trees  
Winter longing, falling free  
Shielding what we need to see  
A deep true love of this country
