

## Forbidden Zone

Manilla Road

I've traversed on my own,  
To the forbidden zone,  
The place where,  
All the others never dare to go,

To reach beyond the norms,  
A fusion of all forms,  
To go where no one else has gone before,  
Open all those hidden magic doors,

This is the place of magical unknowns,  
No one can help you here inside the zone,  
You've got to make it happen on your own,  
You've got to go yourself, you cannot phone,

Deep in the heart,  
Of the forbidden zone,  
Here I am, master of my destiny,  
Deep in the heart,  
Of the forbidden zone,  
Is where dreams turn into reality,

Time has come to pass,  
I have to take the chance,  
Reaching out to the unknown,  
Throw away the fear,  
Let the magic appear,  
Inside the forbidden zone,

Deep in the heart,  
Of the forbidden zone,  
Here I am, master of my destiny,  
Deep in the heart,  
Of the forbidden zone,  
Is where dreams turn into reality.
