

# Heavy Metal to the World

Manilla Road

Heavy metal in my ears  
Is all I ever want to hear.  
Before the sands of time run out  
We'll stand our ground and all scream out!  
Scream out!

Heavy Metal  
To the world tonight,  
Heavy Metal  
To the...

Heavy Metal's here to stay,  
We'll never see it's dying day.  
Let slaughters truth be in the past.  
Let's give our youth a lasting chance,  
Scream out!

Heavy Metal  
To the world tonight,  
Heavy Metal  
To the...

Heavy Metal  
To the World tonight,  
Heavy Metal  
To the world.
