

# Return of the Old Ones

Manilla Road

Here in the darkness  
Black Well of Chaos  
Boiling before my eyes  
In here the dead rise  
Out of the Cauldron  
Evil that never dies

Bringer of darkness  
Demon of Chaos  
King of eternal lies  
Father of evil  
Loosing his black minions  
Into the night

Into the Cauldron I cast my life  
Breaking the black spells of sacrifice

Into the Chaos  
Enter the warriors  
Aryan seed of life  
War with Kthulos?  
Re-animate life forms  
Bringers of genocide

Nightmare's confusion  
Morbid illusions  
Wrecking the mortal mind  
I Taliesin  
Banish the Black Cauldron  
With my own life

Into the Cauldron I cast my life  
Breaking the black spells of sacrifice, into the light

The Old Ones shall return  
Cthulu's words still burn  
Into the etchings of all time

The Bardic songs of old  
Of warriors brave and bold  
Still echo magic in their rhyme

The fire burns bright  
Inside the mind  
Through death comes life  
Blindness to sight, into the light

Here in the darkness  
Black dreams of Chaos  
I hear Cthulu's call  
Forever The Old Ones  
Shall be upon us  
Until they devour us all
