

Street Jammer

Manilla Road

The Streets are crowded, Tonight out for blood
My car's ignited, and I've got rubber to burn
My Stereo, is cranked to the max
Oh Rock and Roll (Heavy metal) I've got all the hottest stacks

'cuz I'm a street jammer,
Street Jammer
Street Jammer
I'm a Street Jammer

Its 12 o'clock, the engines they whine
12 hundred strong, in the dead of the night
The moon is bright, I'm bit too high
I'm gonna jam up the street
before this night is out

'cuz I'm a street jammer,
I'm a street Jammer
Street Jammer

The Streets are crowded, Tonight I'm out for blood
My car's ignited, and I've got rubber to burn
My Stereo, is cranked to the max
Oh Rock and Roll (Heavy metal) I've got the hottest stacks

'cuz I'm a street jammer,
Street Jammer
Street Jammer

I'm a street jammer
