The Ram

Manilla Road

Seven-eyed wonder Mystery to man Riding the thunder On God's command

Beyond the mountains Lost in the sand The golden statue Of The Ram

Look for the lost and you just might find That the cost is your mind Ride the Serpent and make your stand Cast no doubt to The Ram

Lost in confusion Time slips away Inside the illusion Hear them say

Fight fire with fire Give hell to the damned Long live desire Long live The Ram

Look for the lost and you just might find That the cost is your mind Ride the Serpent and make your stand Cast no doubt to The Ram
