

# Parasite

## Mankind Is Obsolete

So easy to believe  
You're a person with a harmless need  
You say there's nowhere to turn  
So I give to you what you want of me

I am your new addiction  
I am your ultimate friend  
But now I've learned too late  
The more I give, the more you take

Never enough, is it?  
It's never enough  
Never enough, now is it?  
(Take it away, take it away)

Never enough, is it?  
It's never enough  
Never enough  
You're feeding from me, you're feeding from me

Now that you've taken it all  
And still come back for more  
You'll never realize that  
You're nothing but a parasite

Never enough, is it?  
It's never enough  
Never enough, now is it?  
(Take it away, take it away)

Never enough, is it?  
It's never enough  
Never enough  
You're feeding from me, you're feeding from me

Parasite  
(Never enough!)

Parasite  
(Take it away!)

Parasite  
(Never enough!)

Parasite  
(Take it away!)

Parasite  
(Never enough!)

Parasite  
(Take it away!)

Parasite  
(Never enough!)

Parasite  
(Take it away!)
