

Trapped Inside

Mankind Is Obsolete

Cannot speak
Paralyzed
The more I wait here,
The more I die

Cannot breathe
Suffocate
Wanting out
because it feels like I am

Trapped inside

Back again,
Closing in
No escaping,
because there's no end in sight
locked away
wanting out
because it feel like I am

trapped

trapped inside
trapped inside

Cannot speak
Paralyzed
Wanting out
Because it feel like I am
Trapped inside
In my mind
No way out
Because it feel like I am

Trapped inside
I'm trapped inside
I'm trapped
