

# Body Rock

Mann

Now baby hop up in your way  
Push that automatic stop car park  
Get that tell the dj turn this up  
Go and let it bang see this for ma ladies  
Where they ladies I know they're hitin to the club

Uh I'm so in the house swagger so similar  
Blow fly hot hot temperature skin color  
Mocha body like a bottle coca cola  
No joke a need her on my side  
So I say aloha hey let me know your name  
Do you need a man I'm in the club  
Watch you do your thing  
You think I' m a fan so join my team  
Or I'll go insane cause every  
Superman needs a Luis Lane

Go and wave your hand girl now wave your  
Hands girls now lay your hands girl  
If your love it do your dance girl  
Cause it's that body body rock  
Do your dance girl cause it's your body body rock

I see you and your girls pull up in the 7  
And quick question  
Did it hurt when you dropped down from heaven  
Baby cause you're a blessing and your body's fire  
Got that boy feelin so obsessed no Mariah  
Don't give him lies what they say  
They was no classroom but I'm gonna give you  
Great A love I see you poppin in your jeans  
You rockin it insane so move your favorite girl  
And don't complain

Go and wave your hand girl now wave your  
Hands girls now lay your hands girl  
If your love it do your dance girl  
Cause it's that body body rock  
Do your dance girl cause it's your body body rock

I'm feelin your vibe can I get witched or what  
Feelin your thighs and I picture me lifting  
Them up feelin your eyes mesmerizing  
When I'm lookin into them what do I have to do  
Do the phiscally get you come with me  
The man in my city the one you lose hate on  
And the one in my city to take from L.A. to Panama City  
I'm gonna need you to be...

Go and wave your hand girl now wave your  
Hands girls now lay your hands girl  
If your love it do your dance girl  
Cause it's that body body rock  
Do your dance girl cause it's your body body rock
