

Letter To The Censors

Mano Negra

Daddy's a mother fucker and your mummy turns tricks
Your sister is a brother, your brother's suckin' dicks
You're walkin' on the railroad tracks
Walkin' on the railroad tracks

Your sister had the blueballs, your daddy had the pox
Your mummy had the shingles, all around her bloody cock
You're walkin' on the railroad tracks
I'm walkin' on the railroad tracks

This is a letter to the censors

Your father is a pansy, your mother was no cherry
Oh lord, how could it be such a beautiful baby?
Walkin' on the railroad tracks
Walkin' on the railroad tracks

Your daddy's way to the top, he's such a practical cop
Your mummy was a stoolie, one day she'll be shot
You're walkin' on the railroad tracks
Walkin' on the railroad tracks

This is a letter to the censors

Daddy's a mother fucker and your mummy turns tricks
Your sister is a brother and your brother's suckin' dicks
You're walkin' on the railroad tracks
Walkin' on the railroad tracks

This is a letter to the censors

Walkin' on the railroad tracks
Walkin' on the railroad
Walkin' on the railroad tracks
Walkin' on the railroad
Walkin' on the railroad tracks
Walkin' on the railroad
Walkin' on the railroad tracks
Walkin' on the railroad
