I'm walkin' out for love
I'm walkin' bad, really down like a cool breeze
I'm gonna be late again driver wait for me please
I'm drivin' all in vain tryin' to catch this fuckin' train

Time don't fool me no more
I throw my watch to the floor was so lazy
Time don't do it again, now I'm stressed and strained
With my anger and pain in the subway train

Now it's half past two Long gone the rendezvous Now it's half past three Time made a fool out of me

Now it's half past four Baby can't you see No use in waiting no more It's a timing tragedy

I think it's nine
When clock says ten
This girl wouldn't wait
For the out of time, out of time man

Time don't fool me no more
I throw my watch to the floor was so lazy
Time don't do it again, now I'm stressed and strained
With my anger and pain in the subway train

Now it's half past two Long gone the rendezvous Now it's half past three Time made a fool out of me
