

# The Fool

Mano Negra

Senor

Gather around me buddies and lift your glasses high  
And drink to the crazy fool who told his baby goodbye  
And it's too late he found he loves her so much he wants to die

And he loves her  
And he loves her so  
And he wonders why he let her go  
'Cause she found a new loving buddy  
I say, he's a lucky guy

Yes, I'm, I'm that crazy fool who told my baby goodbye

And I love her  
And I wonder

And I love her  
And I love her so  
And I wonder why I let her go
