The Monkey

Mano Negra

I said Yeah Monkey Now three little monkeys sat on a coconut tree Discussing things has they are said to be

Said one to the other, now listen you two There is a certain rumour that can't be true That man descended from our noble race The funny idea is a big disgrace

No monkey ever deserted his wife Nor her baby and ruin her life I said yeah... Monkey speaks his mind And another thing you will never see

A monkey build a fence around a coconut tree
And let all the coconuts go to waist
Forbidding all other monkeys to come and taste
Now if I build a fence around this tree

Starvation will cause you to steal from me I said Yea... the monkey speaks his mind Here is another thing a monkey won't do Go out at night and get on a stew

Or use a gun a club or a knife
To take another monkey's life
Yes man descended the worthless bum
But my god brothers from us he did not come

Yeah... The monkey speaks his mind
