

Courage

Manowar

Some want to think
hope is lost see me stand alone
I can't do what others may want
then I'll have no home

So for now wave good-bye
and leave your hands held high
Hear this song of courage
long into the night
So for now wave good-bye
and leave your hands held high
Hear this song of courage
long into the night

And the wind will bear my cry
to all who hope to fly
Hear this song of courage
long into the night

Battles are fought by those
with the courage to believe
They are won by those who find the heart
Find a heart to share
This heart that fills the soul
will point the way to victory
If there's a fight
then I'll be there
I'll be there

So for now wave good-bye
and leave your hands held high
Hear this song of courage
long into the night
And the wind will bear my cry
to all who hope to fly
Lift your wings up high
my friend fearless to the end
So for now wave good-bye
and leave your hands held high
Hear this song of courage
long into the night
