

## Courage

Manowar

Some want to think  
hope is lost see me stand alone  
I can't do what others may want  
then I'll have no home

So for now wave good-bye  
and leave your hands held high  
Hear this song of courage  
long into the night  
So for now wave good-bye  
and leave your hands held high  
Hear this song of courage  
long into the night

And the wind will bear my cry  
to all who hope to fly  
Hear this song of courage  
long into the night

Battles are fought by those  
with the courage to believe  
They are won by those who find the heart  
Find a heart to share  
This heart that fills the soul  
will point the way to victory  
If there's a fight  
then I'll be there  
I'll be there

So for now wave good-bye  
and leave your hands held high  
Hear this song of courage  
long into the night  
And the wind will bear my cry  
to all who hope to fly  
Lift your wings up high  
my friend fearless to the end  
So for now wave good-bye  
and leave your hands held high  
Hear this song of courage  
long into the night
