

# Fast Taker

Manowar

Mama is having troubles,  
It always comes from me  
Your daddy said that drink is  
Is not yours for the free  
They tell you I'm a loser  
'Cause I like see 'em breed  
But truth is in the mirror  
Is one thing never seen

I sing Yeah  
Long time ago  
You tried to tell me, son  
People tried to hold on  
I said no no, no no  
No, I don't mind them saying  
That you should be praying  
For me, fast taker

Right here's where I'm staying  
Life's a game I play  
For keeps, fast taker, fast taker, fast taker  
Take it away

Only sixteen  
For more than not a girl  
Old enough  
For a trip around the world  
Pick you up on Friday  
When daddy goes to sleep  
Bring you back on Sunday  
When he's watching Merry Granma on T.V.  
Oh yeah, he won't see me

Now do it right with music  
Then you learn how to abuse it  
All night, fast taker  
Right here's where I'm staying  
Life's a game I play  
For peace, fast taker, fast taker, fast taker  
Take it away

Mama is having troubles,  
It always comes from me  
Your daddy said that drink is  
Is not yours for the free  
They tell you I'm a loser  
'Cause I like see 'em breed  
But truth is in the mirror  
Is one thing never seen

No I don't mind them saying

Life's a game I play  
For keeps, fast taker, fast taker, fast taker  
Take it away
