

# God or Man

Manowar

I arrive a stranger in this land and  
Those who seek me their Blood will wash the land  
They who need me now reach out their hand  
And If she heals me will I be God or Man

Tell Me  
Will I live or Die  
Then tell me Why  
Tell me who I am  
God or Man

Step Aside  
Where I ride  
Or you will die

My protection I give to those in need  
Mother, Son and Daughter and Father will be free  
from the chains of death upon them  
I shall end their misery  
With Blood upon my Hammer  
Now the wolves of men shall bleed

Tell Me  
Will I live or Die  
Then tell me Why  
Now tell me who I am  
God or Man

Step Aside  
Where I ride  
Or you will die

I'm Alive  
And I know Why  
Cause of Lies  
For you will die

You'll know the curse of my pain  
Thunder and Rain

My protection I give to those in need  
Mother, Son and Daughter and Father will be free  
From the chains of death upon them  
I shall end their misery  
With Blood upon my Hammer  
Now the wolves of men shall bleed

Step Aside  
Where I ride  
Step Aside  
Or you will die

I'm Alive  
And I know Why  
Cause of Lies  
You will die
