

# The Sons of Odin

Manowar

Here to the blaze  
I wander  
Through this black night  
I ponder  
The edge of our mighty swords  
Did clash  
Fallen by our axes  
Helmets smashed

Glory and fame  
Blood is our name  
Souls full of thunder  
Hearts of steel  
Killers of men  
Of warriors friend  
Sworn to avenge our fallen brothers  
To the end...

One day too  
I may fall  
I will enter Odin's Hall  
I will die sword in hand  
My name and my deeds will  
Scorch the land

Glory and fame!  
Blood is our name..  
Soul full of thunder!!  
Hearts of steel  
Killers of men!  
Of warriors friend  
Sworn to avenge our fallen brothers

Sons of the gods  
today we shall die  
Open Valhalla's door  
Let the battle begin  
with swords in the wind  
Hail Gods of War

Sons of Odin we four...!!  
By the hammer of Thor!  
Ride down from the sky....  
Another is born  
Another shall fall  
This day men will die!!!!

Glory and fame  
Blood is our name  
Souls full of thunder  
Hearts of steel  
Killers of men  
Of warriors friend  
Sworn to avenge our fallen brothers  
Sons of the gods today we shall die  
Open Valhalla's door  
Let the battle begin with swords in the wind

Hail Gods of War

Sons of the gods today we shall die  
Open Valhalla's door  
Let the battle begin with swords in the wind  
Hail Gods of War

Let the battle begin with swords in the wind  
Hail  
Gods  
of War!!!

...Onward into the heart of battle  
Fought the sons of Odin  
Outnumbered many times  
Still  
they fought on  
Blood poured fourth from their wounds  
Deep into the earth  
Vultures waited for the broken shells  
That once were bodies  
But Odin alone would choose the day  
They would enter Valhalla  
And in their hour of need  
He sent forth unto them The Berserker Rage  
Now gods and men  
They rose up from the ground  
Screaming like wild animals  
Such is the gift of absolute power  
No blade or weapon would harm them  
They killed them and horses alike  
And all who stood before them died that day

Hail Gods Of War!!!!!!
