## The Sons of Odin

Here to the blaze I wander Through this black night I ponder The edge of our mighty swords Did clash Fallen by our axes Helmets smashed Glory and fame Blood is our name Souls full of thunder Hearts of steel Killers of men Of warriors friend Sworn to avenge our fallen brothers To the end... One day too I may fall I will enter Odin's Hall I will die sword in hand My name and my deeds will Scorch the land Glory and fame! Blood is our name.. Soul full of thunder!! Hearts of steel Killers of men! Of warriors friend Sworn to avenge our fallen brothers Sons of the gods today we shall die Open Valhalla's door Let the battle begin with swords in the wind Hail Gods of War Sons of Odin we four..!! By the hammer of Thor! Ride down from the sky.... Another is born Another shall fall This day men will die!!!! Glory and fame Blood is our name Souls full of thunder Hearts of steel Killers of men Of warriors friend Sworn to avenge our fallen brothers Sons of the gods today we shall die Open Valhalla's door Let the battle begin with swords in the wind

## Manowar

Sons of the gods today we shall die Open Valhalla's door Let the battle begin with swords in the wind Hail Gods of War Let the battle begin with swords in the wind Hail Gods of War!!! ... Onward into the heart of battle Fought the sons of Odin Outnumbered many times Still they fought on Blood poured fourth from their wounds Deep into the earth Vultures waited for the broken shells That once were bodies But Odin alone would choose the day They would enter Valhalla And in their hour of need He sent forth unto them The Berserker Rage Now gods and men They rose up from the ground Screaming like wild animals Such is the gift of absolute power No blade or weapon would harm them They killed them and horses alike And all who stood before them died that day

Hail Gods Of War!!!!!

Hail Gods of War
