

Dark Mavis

Mansun

Wait around
I'll be walking quite a while
Don't be late, hard to take
Vicar twists and gets away

His lipstick's running
His dress is stunning
He's got high heels on
And his flock don't care now
Mavis, what he will wear?

In the path of righteous man
There is rubble where I stand
I'll be the one
You can kiss his vase
Until the end of the month

Vicar stay, 'cause your lipstick
Smeared away from your face
Vicar twist
Gray pajamas in your case

His tights are nylon
His nails by Revlon
He's got high heels on
And his flock don't care now
Mavis, what he will wear?

In the path of righteous man
There is rubble where I stand
I'll be the one
You can kiss his vase
Until the end of the month

And if you should see me passing by
Do not disturb me as I fly
Though I am walking here
This is where I'll be

In the path of righteous man
There is rubble where I stand
I'll be the one
You can kiss his vase
Until the end of the month

In the path of righteous man
There is rubble where I stand
I'll be the one
You can kiss his vase
Until the end of the month

Until the end of the month
Until the end of the month
